

Compliance with HB 3693

Haskell County Appraisal District will comply with the requirements of HB 3693 (Government Code § 2264.001(b)) by compiling and posting the following information.

- 1) The total metered amount of electricity, water and natural gas used by the District for its services in the last two years. The annual metered amounts can be separately listed for each utility service without violating confidentiality terms.
- 2) The total amount paid for electricity, water, and natural gas in the last two years. The total annual cost paid for the three utility services should be posted as one figure.
